OUR VALUES

“

Dedication, innovation and excellence

VIELLE REAL ESTATE

is committed to transforming the real estate and construction industries through innovation, dependability and professional competence.

Our mission is to provide unparalleled services for the purchase, sale, and management of properties, while promoting sustainable development. We strive for excellence and we aim to improve the communities we work in, while providing exceptional value to our clients throughout Italy and abroad.

CAMPUS

We have a particular vocation for selecting innovative, sustainable, high-quality living spaces, paying special attention to academic communities. We prioritize the needs of students and their institutions, creating environments that facilitate learning, well-being, and socialization.

Our approach is both responsible and value-based, achieved by combining technology, contemporary design, and cutting-edge services to raise the quality of university accommodation in Italy.

We want to set the standard nationwide for next-generation university housing, actively driving change to positively impact how students live, learn, and forge relationships. We envision a future where every campus and university town can rely on smart, inclusive, eco-friendly housing solutions that create enduring value for students, families, institutions, and the wider community.
